Westgarth Jacqueline	Advanced Practitioner	Travel and accommodation provided by manufacturer to show new biopsy attachment for mammography machine	15/11/17	16/11/17	Manufacturer already has some equipment installed in BSU. Staff need to see new biopsy attachments prior to potential purchase of more equipment.	
Mutsvairo Mildred	Advanced Practitioner	Travel and accommodation provided by manufacturer to show new biopsy attachment for mammography machine	15/11/17	16/11/17	Manufacturer already has some equipment installed in BSU. Staff need to see new biopsy attachments prior to potential purchase of more equipment.	
Smith Kathryn	Advanced Practitioner	Travel and accommodation provided by manufacturer to show new biopsy attachment for mammography machine	15/11/17	16/11/17	Manufacturer already has some equipment installed in BSU. Staff need to see new biopsy attachments prior to potential purchase of more equipment.	
Moore Jonathan	Consultant Microbiologist	Eumedica pharmaceuticals are to pay my conference fee for me to attend the Federation of Infection Society (FIS) annual national conference in Birmingham. I am self-funding all other expenses (eg travel, accommodation etc). Potential conflict of interest would be in influencing antimicrobial policy decisions	30/11/17	02/12/17	Antimicrobial policy decisions are made by the antimicrobial steering group ensuring that peer scrutiny exists before any changes are made. The product sold by Eumedica is already in our trust antimicrobial guidelines with no evidence base for expanded inclusion – thus accepting this sponsorship will have no bearing on antimicrobial policy decisions in favour of the company in question.	
Hughes Michelle	Chemotherapy Services Manager	Food and Drink hamper donated to nursing/clerical staff of chemotherapy day unit at Christmas. The hamper will be split between 15 staff and has a combination of alcoholic drinks and foods	Donated 23/12/17		No delivery notes with this hamper. Was donated by manager of a local cash and carry wholesale warehouse for nursing staff as we have cared for and treat three of his staff.
